### Part 2 Beneficiary Designation

- All fields marked with an asterisk (\*) are required to be completed.
- All other fields should be completed to ensure timely payment of death benefit proceeds.
- The percentages or fractions must equal 100% for both primary and secondary beneficiaries.
- A letter will be sent to the contract owner confirming the changes below.
- If a trust is designated as the beneficiary, please include the Trustee Certificate/Certificate of Trust form (Form 273420) located on riversource.com/forms. As an alternative, we will accept a copy of the trust document pages that state the name, date, trustees, and successor trustees of the trust, and the signature page.
- If a Testamentary Trust is designated as the beneficiary, a copy of the Will and a Trustee Certificate/Certificate of Trust form is required. You must provide the article and paragraph number from the Will in the designation. The execution of this designation requires that your Will be admitted to probate and the Trustee(s) make claim for the proceeds accompanied by due proof of the trustee(s)' appointment. In the event there are multiple testamentary trusts and the trust is not clearly identified, settlement may be delayed because a court order may be required at time of settlement.
- All beneficiary designations are subject to the approval of RiverSource Life Insurance Co. of New York.
