# Annuitization Start Date Postponement Request Form

**i** Complete all parts below.

Account Number

For RiverSource® annuities held inside a brokerage account, enter 141 for the administration code. For all other products, enter 004.

## Part 1 Account Information

Contract Owner Name:

## Part 2 Postponement Information

For fixed index and structured annuities, the annuitization start date must be a contract anniversary date. If the date entered is not a contract anniversary, we'll move it to the contract anniversary date following the date entered.  
(MM/DD/YYYY)  
I would like to postpone my Annuitization Start Date to:

## Part 3 Authorization and Acknowledgements

I understand that I may choose to annuitize my annuity contract any time prior to my Annuitization Start Date. I also understand that if my contract is still active, I will receive another communication when my Annuitization Start Date approaches.

Owner Signature  \_\_\_\_\_ Date (MM/DD/YYYY)
